FOR IMMEDIATE RELEASE

## **Rangeley Family Medicine Holds First Food Mobile of 2017**

**The February 22 event is the first of 6 the Health Center will be funding this year**

RANGELEY – Rangeley Family Medicine will offer 6 Food Mobiles in 2017, and the first one takes place Wednesday, February 22 from 10:30 a.m. to noon. The event will be held indoors in the lower level of Rangeley Health and Wellness, which is across the street from the Health Center.

This is the second year that the Health Center has partnered with Good Shepherd Food Bank to distribute food to those in need.

Members from the local police department will volunteer to bring boxes of food to people who are housebound, as will members of Rangeley Family Medicine's staff.

Food will be distributed to people in need living in the greater Rangeley area, including a variety of perishable and nonperishable foods. Anyone in need of emergency food assistance in the surrounding area is encouraged to attend.

Good Shepherd Food Bank's Food Mobile program expands the hunger relief organization's outreach to Maine's neediest and most underserved communities. Designed to be a barrier-free distribution, the Food Mobiles visit communities with a demand for emergency and supplemental food that has outgrown the capacity of local food pantries. These distributions have been made possible through the generosity of the Lucia P. Fulton Foundation.

For more information about this Food Mobile distribution, please contact Rangeley Family Medicine at (207) 864-3303.

Rangeley Health and Wellness is located at 25 Dallas Hill Road.

###

Rangeley Family Medicine is part of HealthReach Community Health Centers, a group of eleven Federally Qualified Health Centers in Central and Western Maine. Rangeley offers a range of services including family medical care, counseling, and care management to residents of Rangeley, Oquossoc, Stratton, Phillips, Eustis, Avon and neighboring towns. Our reduced fee program is available to uninsured and underinsured residents.
