

# Health Insurance Marketplace and You

**The Special Enrollment period to purchase health insurance opens February 15, 2021 and ends May 15, 2021.**

**HealthReach offers trained staff to help patients and the public sign up for the Health Insurance Marketplace.**

## The HealthReach Certified Application Counselor (CAC)

- Helps you apply for insurance through the Health Insurance Marketplace and assists with Medicaid (MaineCare) applications and renewals
- Offers FREE and confidential assistance
- Respects your best interest by providing unbiased information about the Marketplace and insurance companies

## MaineCare (Medicaid)

MaineCare applications may be submitted anytime. Learn about the guidelines if you or your children are not currently insured.

## Special Enrollment in the Marketplace

This may be a possibility when circumstances change such as:

- Moving
- Losing your current coverage
- Marriage or change in household size
- Birth or adoption of a child
- Other changes

*If unable to qualify for a special enrollment, ask to be screened for an exemption.*
